

Welcome

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nurseries are here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask an usher!

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

Shirley Gregory & Family are grieving the loss of her son, Robert, who passed away on 1/12 following a battle with cancer.

Pete Danapolis is having several health issues, some of which include an aneurysm in his abdominal aorta, a leaky heart valve, and severe back pain which is making it difficult for him to walk. Pray for healing and pain relief as well as wisdom for the doctors as they evaluate and determine how to treat him.

Anna Bocock (oldest daughter of Brian & Beth Bocock) has been diagnosed with Lyme disease. Pray for a successful treatment process and that she will be able to eventually resume her normal activities.

Doris Sutherland has knee replacement surgery scheduled for 2/12.

Caroline Rarick (Al Rarick's mother) has returned home with nursing care and continues to recover from pneumonia.

Cody Skinner (nephew of Kim Hill, grandson of Ken & Mary Watkins) has Hodgkin's Lymphoma and is receiving chemo.

Dave Albers is waiting for test results to determine status of cancer and whether or not it has spread.

Miriam Bryant is continuing treatment for her kidney which has slightly improved. She will have a CT scan in March to recheck. Her blood pressure continues to run high, so she is being closely monitored. Pray for healing in both areas.

Bruce Ferguson is grateful for your prayers as his blood pressure is finally doing well. Please continue to keep him in prayer for other health issues that he is working to resolve.

Mitch Rooker (son of Mike & Linda Rooker) deployed to Iraq until late April. Pray for safety as well as peace for his family members here at home while he is away.

Shannon & Misty French (son of Curt & Patty Bales) are trying to adopt three of their nieces/nephew. Pray that decisions will be made based on the best interests of the children. Next hearing has been rescheduled for February.

Caroline Bocock (daughter of Brian & Beth Bocock) continues treatment for Lyme disease.
