

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

- **Shirley Means** (Miriam Bryant's sister) is receiving therapy and hopes to go home soon. She is in Henderson, Nevada.
- **Candace** (daughter of Vasha Ferguson's friend, Leslie Robinson) is 44 years old and recovering from a stroke at a nursing home. She is unable to walk, her short-term memory and movement on her right side are impaired; speech is good.
- **Caroline Bocock** has been terribly ill as she is dealing with a Lyme Disease outbreak. Some of her symptoms included being in excruciating pain, having blackouts, issues with sleeping, darkening vision, random skin issues, a constant headache since 11/5, and so much more. She is taking a regiment of medications to get the it under control.
- **Nolan Marshall** (son of Dan & Tracy) is receiving outpatient therapy, but hasn't found an even keel yet. His school is refusing to let him return to the classroom. The Marshall family is still very much in crisis mode and continued prayers are appreciated as they try to adjust medications and work with Nolan to manage his diagnoses.
- **Marge Benham** has returned home and is doing well. She is working with physical therapy on weight bearing activities.
- **Shannon French** (son of Curt & Patty Bales) is improving, but continues eye drop treatments for an infection. It looks like the damaged part is creating new cells and hopefully healing.
- **Joyce Bocock** has completed chemo and radiation; praise God that both tumors have shrunk significantly more than expected; evaluating additional treatment options.
- Check out our monthly prayer card on-line at southhavenfbc.com under "General Info" for a **list of those with on-going needs**.
