

Weekly Notes

Thank you for joining us for worship this morning! We are so glad you're here today. Whether you are joining us in-person, online, as a vacationer, or as someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. To help prevent the spread of germs, masks or face shields are required. In addition, we ask you to please refrain from hugging, shaking hands or touching others. To help with social distancing, we also have designated pews that we ask you to use. Thank you for your patience and understanding as we continue to adapt to these challenging times and try to keep everyone safe.

infants and young children

Parents are invited to use our Prayer Room (to the left of the sanctuary entrance) if they feel the need to remove themselves and their children from the Sanctuary. This room allows you to conveniently hear and observe the service.

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Gym. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

Lacey Schultz (daughter of Clint & Kristen Schultz) has been released from the hospital. Her new baby Ace continues to do well in the NICU while he strengthens and grows after being born at 32 weeks.

Jim Seagren (friend of Stan & Jean Robinson) is recovering from an additional surgery due to cancer. They are unable to remove the tumor and are trying to bypass blockages caused by it. The prognosis is not good as the cancer is spread extensively through his body.

Joe Collins (father-in-law of Kim Collins) has been released from the hospital and continues oxygen and steroid treatments at home in FL. Hospital doctors have advised him to return to MI as soon as he is strong enough, so he can follow up with his regular physicians, as they expect it to be 4-6 months before he is fully recovered after getting Covid.

The Family of Norma Leins who passed away on 2/13 at the age of 101. Norma was a long time member of FBC.

Steve Follman is recovering from surgery for a total knee replacement.

Randy Follman (brother of Steve Follman) is recovering from hip replacement surgery.

Deborah Kirby (Vasha Ferguson's sister) is in a rehab center following a massive stroke in July 2020. Praise God that medical insurance has been upgraded to meet her needs. Her recovery is slowly progressing and although it is greatly painful, she is gaining movement on the left side with the help of therapy.
