

# Weekly Notes

**Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:**

## **infants and young children**

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

## **children**

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

## **finding your way around**

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

## **introduce yourself**

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

## Ways YOU Can Bless Dan & Tracy Marshall

We have a few ways that people can help Dan & Tracy as they continue to seek medical assistance for Nolan and spend 24/7 at the hospital with him. There currently is no end in sight as they try to find a residential treatment center that has an open bed for an 8-year old child in their insurance network. Here are a few ways you can help:

- **Bring them a meal/send a restaurant gift card** If you are able to deliver dinner to them, [please sign up at this link](#). They will have a cooler near the front door available to place items in. No need to ring the bell, just drop off and go.
- **Help with Riley:** Spend some time with Riley after school on Monday, Wednesdays, and/or Fridays. He gets off the bus at 3 and would love for someone to play video games with him; take him to the local arcade, listen and hold cards for him while he practices his trombone, possibly help with homework, etc. The scheduled time spot for this is 3-6pm, but there is some flexibility in that. Please just reach out to Kim Collins or Erin (Blough) Hibma and let them know what works for you. Their contact info is on the sign-up page. If you're able to take a shift, [please sign-up here](#). [Tip: Click on the "month" tab to see what days are available.]
- **Fundraiser:** We will host a fundraiser in the near future involving a meal and possibly a silent auction and more. We're still working out the date and other details. In the meantime, if you're interested in helping with the event or donating items for it, please contact Kim Collins or Erin (Blough) Hibma. More details coming soon.
- **Amazon Wish List** At the suggestion of friends, Dan & Tracy have put together an Amazon wish list (although items can be purchased anywhere and in smaller quantities) of snacks and activities that will be helpful for Nolan in the hospital as well as Riley at home during this stressful time. If you'd like to view and/or order from the list, [click here](#).

Please continue to keep Dan, Tracy and their boys in prayer. They're weary. They're stressed. They are being bombarded from a million different ways. While it's okay to text them words of encouragement, please know you may not get an answer back. Also, if there are any questions or suggestions for ways to help, etc. please contact Erin or Kim as we are trying to alleviate some of their load and coordinate whatever we can.

Thank you for loving and supporting them in this journey!

# prayerREQUESTS and PRAISES

- **Caroline Bock** was evaluated and returned home from an appointment with the Lyme Disease specialist in Washington DC. Beth says, *"The concussion in November has definitely kicked off the Lyme's. The doctor feels very strongly that it has centered in her brain and her gall bladder. We have several follow-up tests to do, but she feels pretty confident that we are going to have to get Caroline's gallbladder removed. The doctor prescribed a bunch of pain meds and stuff to calm Caroline's brain and nervous system so she can sleep and heal. The doctor also feels that the treatment won't be as intense or as long as before, so that's a plus. We will praise Him in all things!"*
- **Nolan Marshall** (son of Dan & Tracy) continues to be "hospitalized" in the emergency room because the pediatric floor at the hospital wasn't able to manage him when he had an outburst/tantrum. The ER requires a parent to be with him 24/7. They are trying to find a residential treatment program that will accept him so he can hopefully get the help and medication management necessary. They are hitting one road block after another because of bed availability, his age, insurance issues and more. Please pray that they will find a feasible option soon.
- **Sandi Starland** is recovering from knee replacement surgery.
- **Tom Craig & Family** upon the loss of his wife, Darlene, on 1/10.
- **Tina Dell & Family** upon the loss of her brother, Matt Chambers, on 1/7.
- **Marge Benham** is doing well. She is working with physical therapy on weight bearing activities. Hopefully she will be released from the rehab facility very soon and can continue her recovery with help at home.
- **Roberta Newton** is recovering at home following a procedure to repair a leaking blood vessel. Cards can be sent to Roberta Newton, P.O. Box 51, Palmdale FL 33944.
- **Annette Koller** is recovering from knee replacement surgery.
- **Shannon French** (son of Curt & Patty Bales) is improving, but continues eye drop treatments for an infection. It looks like the damaged part is creating new cells and hopefully healing.
- **Joyce Bock** has completed chemo and radiation; praise God that both tumors have shrunk significantly more than expected; evaluating additional treatment options.
- Check out our monthly prayer card online at [southavenfbc.com](http://southhavenfbc.com) under "General Info" for a **list of those with on-going needs**.
