

# Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

## infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

## children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. (*Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.*)

## finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

## introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

**Winter Weather is Here...** If church or other activities will be cancelled due to the weather, we will send an email, text, and post on Facebook. Please be sure to check your device before heading out. Please use caution and extreme care when coming to church as the parking lot is very icy because of the cold temperatures. The front by the main entrance is ice free and recommended for drop-offs whenever possible.

**Hearing Assistance Devices Available...** We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. They are available from the Sound Booth at the rear of the sanctuary and are cleaned and sanitized after each use. For questions, see Rocky Starland.
