

Welcome

While our place of worship has changed from the usual place and time, we are grateful to know that the Body of Christ can worship anytime, anywhere. And a building is just that - a building. The Church is the people, not the place we worship. In these troubled times, our witness for Jesus Christ can be evident to those around us as we take wise precautions, while simultaneously living out our faith with what it means to have a peace that passes all understanding. May you be blessed this week as we see God at work through these unprecedented times. We can get through this together. Our God is able.

Sermon notes are also available. You can view them through the Bible app as usual on your phone or tablet or via the internet. See our Facebook page or check your email for this week's link.

We are Here for You

We realize that this can be a difficult and stressful time for many of our church members. As this stay-at-home order continues to be in effect and many of you are unable to work, financial hardships can be an issue. Concerns and worry about the virus, financial issues, being stuck at home, etc. can be creating emotional and psychological stress. Your spiritual wellness may be struggling as we are unable to worship together and connect with church family on a regular basis.

We are here for you!! If you need assistance in any way, please do not hesitate to reach out to us. Let us know how we can pray for you! You can submit a confidential request through our website (southhavenfbc.com) or by emailing either Pastor Jerry or Kim directly. In addition, we have persons willing to shop for those who cannot go to the store themselves or help in other ways too.

While we do not have unlimited financial resources, we do have some funds available. If you are in a good spot and willing/able to help others in need, perhaps you would consider a donation to our Benevolent Fund to help those who are struggling during this time.

We are all in this together! If you have suggestions or ideas about how we can support one another, please let us know.
