

# Weekly Notes

**Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:**

## **infants and young children**

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

## **children**

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

## **finding your way around**

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

## **introduce yourself**

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

## *A Time of Thankfulness*

We are greatly humbled by the generosity of our congregation. So far, this year's offering, combined with pledges, is a total of \$46,000. We thank you for your faithfulness, especially during such challenging times, and look forward to seeing how God will use our building in the year ahead as we continue to "Know Him and Make Him Known." If you would still like to make a contribution to this fund, please drop your gift in the regular offering with the notation of "Oktoberfest."

# prayerREQUESTS&PRAISES

- **Judi Beckwith** has returned home from the hospital following a dehydration and kidney issue. Please pray that she continues to regain strength.
- **Ruby Robinson** (Stan & Jean Robinson's sister-in-law) continues to deteriorate and has had to stop chemo for now because it has caused so many other health issues that her body cannot handle.
- **Vincent Bryant** (son of Miriam Bryant) is recovering from a procedure related to a second fistula. Please pray that it is successful.
- **Crystal** (friend of Tracy Marshall) had a "concerning spot" on her last PET scan. She's going in for a biopsy soon. Please pray that it's nothing.
- **Susie** (friend of Tracy Marshall) is currently in a new rehab facility (after having moved from a not so great one in SH). Her blood pressure and heart rate are not doing great and she is very down emotionally.
- **Nolan Marshall** is refusing to go to music therapy, he says he doesn't like it, even though the therapist says that he appears to be enjoying the sessions. They also resumed tutoring this past week and there is some concern about how it will go since Nolan has some sort of therapy/tutoring every afternoon. The limits of what he will tolerate are being pushed, so please pray that he is agreeable.
- **Tyler & Holly Norman** upon the birth of their son, Reed, on 10/24.
- **Caroline Bocock** is dealing with a Lyme Disease and is receiving a treatment regimen that looks promising. Please pray that it is effective and that she will be feeling better soon.
- **Joyce Bocock** has completed chemo and radiation; praise God that both tumors have shrunk significantly more than expected; evaluating additional treatment options.
- Check out our monthly prayer card on-line at [southhavenfbc.com](http://southhavenfbc.com) under "General Info" for a list of those with on-going needs
