

# Weekly Notes

**Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:**

## **infants and young children**

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

## **children**

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

## **finding your way around**

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

## **introduce yourself**

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

Launching you on an 8-week journey, this in-depth study addresses the quest for meaning, presence of evil, wisdom and foolishness, and other issues to help you understand God's ways in an often confusing and frustrating world."* Books are \$9 each. To sign-up, stop by the Welcome Center or contact Vasha Ferguson or Tina Wilburn.

**Hearing Assistance Devices Available.**..We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. # prayerREQUESTS&PRAISES

- **Ruby Robinson** (Stan & Jean Robinson's sister-in-law, Bruce Robinson's stepmom) is in significant pain as her cancer has progressed. Please pray for peace and comfort.
- **Pastor Jephthe Lucien**, his family, his ministry, the children in his orphanages, and the people of Haiti as the country is under extreme duress due to violence and unrest.
- **Terry Buckley** successfully had fluid removed from around his heart and is doing much better.
- **Bruce Ferguson** had his medications adjusted and is continuing with his doctors for further treatment.
- **Lennon McKamey** (son of Kyle & Sarah McKamey) hasn't had any more blackouts and has completed testing; he has a follow up appointment in June.
- **Rhonda Dobberstein** is receiving radiation treatments for breast cancer that will continue through the end of April.
- **Nolan Marshall** was approved to receive services for another year. Praise God for answered prayers!
- **Miriam Bryant** has begun therapy for hip issues.
- **Vincent Bryant** (son of Miriam Bryant) is dealing with multiple health issues: blood clots which are interfering with his dialysis treatments; continues to recover from a 2nd surgery on his left hand which resulted in one finger being amputated; issues with an ankle that prevents him from driving.
- **Anna Bocock** has Epstein Barr in addition to one strain of Lyme. She is waiting for next month's treatment to be done, will then take another blood test to see how the treatment performed, and once the tests come back she will hopefully be able to move forward with the Lyme disease treatments.
- **Caroline Bocock** is having some symptoms resurface so she will need to have more treatments. They are waiting for her most recent test results to come back, so they can determine which strain of Lyme's needs to be treated next.
- **Joyce Bocock** continues to do well. Prayers for continued improvement and relief from pain are appreciated.
- Check out our monthly prayer card on-line at [southhavenfbc.com](http://southhavenfbc.com) under "General Info" for a **list of those with on-going needs**.
