

ongoing **Prayer** CONCERNS

But we will give ourselves continually to
Prayer
and to the ministry of the word. Acts 6:4

july 2020

Please regularly pray for those listed below to have healing, peace, effective treatment options, wise doctors, or other needs met as they struggle with ongoing medical issues and concerns.

- **Anna, Gabe, Samantha & Caroline Bocock** (children of Brian & Beth Bocock) continue treatment for Lyme disease.
- **Judi Beckwith** has health concerns related to chronic kidney disease and Alzheimer's disease.
- **Miriam Bryant** has health concerns.
- **Vincent Bryant** (Miriam Bryant's son) has health concerns related to diabetes and kidney issues; receiving dialysis and is on transplant list waiting for a kidney to become available.
- **Frank & Mary Buchert** have health concerns. Phone calls and visitors are appreciated!
- **Rafael Cabrera** (friend of Bob & Kim Collins) has a genetic kidney disease and is doing dialysis 4 days a week, and the process takes 5 hours each day. Getting a transplant is currently not an option due to Covid-19 since a recipient's immune system is completely wiped out from the anti-rejection meds required. As his numbers continue to decline, he will have to add additional days of dialysis to his schedule. Pray that transplants will be allowed to resume soon and for patience during this process.
- **Pat Doud** (HVAC person who has serviced FBC for many, many years) has a tumor on his brain stem. Pray that radiation treatment is effective and successful.
- **Wally Dow** is receiving palliative care through Hospice.
- **Barb Elliot** (a regular participant in our Wednesday morning Bible study) has a facial concern that is related to skin cancer.
