

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

announcements

Happy Birthday!...Jared Koller, Linda Newell (4/24) and Cody Hampton (4/25).

Happy Anniversary!...Pastor Jerry & Annette Koller (4/24, 43 years).

Thank You!...*This email is a little late in coming, but I wanted to let you know that after many shipping delays, we were able to successfully get the shipment of donations that we had been collecting for El Ayudante! So thank you so much for the backpacks that you and your church collected oh so long ago :). We were able to get them and use them for the students going back to school at the start of this year! It's such a blessing for these students to have access to this sort of support that helps them succeed in attending school with the tools that they need. What a huge blessing! Thank you so much for being a part of loving the people of Honduras and sharing Christ in such tangible and intentional ways! We really appreciate you! God Bless! ~Beth Mohagen, Co-director of El Ayudante*

Next Week's Servants (4/28)

- Café Bakers: Grace Low (casserole) | Vasha Ferguson (donuts)
- Café Attendant: Marge Parmenter
- Nursery: Allie Wilson, Tina Wilburn
- Sound Tech: Don Jenks

Hearing Assistance Devices Available...We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. They are available from the Sound Booth at the rear of the sanctuary and are cleaned and sanitized after each use. For questions, see Rocky Starland.

prayerREQUESTS&PRAISES

- **Stan & Jean Robinson, Bruce & Janine Robinson and their families** upon the loss of Stan's sister-in-law and Bruce's stepmom, Ruby Robinson, on 4/18.
- **Pastor Jephthe Lucien**, his family, his ministry, the children in his orphanages, and the people of Haiti as the country is under extreme duress due to violence and unrest.
- **Bruce Ferguson** had his medications adjusted and is continuing with his doctors for further treatment.
- **Lennon McKamey** (son of Kyle & Sarah McKamey) hasn't had any more blackouts and has completed testing; he has a follow up appointment in June.
- **Rhonda Dobberstein** is receiving radiation treatments for breast cancer that will continue through the end of April.
- **Nolan Marshall** was approved to receive services for another year. Praise God for answered prayers!
- **Miriam Bryant** has begun therapy for hip issues.
- **Vincent Bryant** (son of Miriam Bryant) is dealing with multiple health issues: blood clots which are interfering with his dialysis treatments; continues to recover from a 2nd surgery on his left hand which resulted in one finger being amputated; issues with an ankle that prevents him from driving.
- **Anna Bocado** has Epstein Barr in addition to one strain of Lyme. She is waiting for next month's treatment to be done, will then take another blood test to see how the treatment performed, and once the tests come back she will hopefully be able to move forward with the Lyme disease treatments.
- **Caroline Bocado** is having some symptoms resurface so she will need to have more treatments. They are waiting for her most recent test results to come back, so they can determine which strain of Lyme's needs to be treated next.
- **Joyce Bocado** continues to do well. Prayers for continued improvement and relief from pain are appreciated.
- Check out our monthly prayer card on-line at [southavenfbc.com](http://southhavenfbc.com) under "General Info" for a **list of those with on-going needs**.
