Sermon notes are also available. You can view them through the Bible app as usual on your phone or tablet or via the internet. See our Facebook page or check your email for this week's link.

In addition, all in-person activities have been cancelled. Watch our emails or check the website for how to participate virtually.

While our place of worship has changed from the usual place and time, we are grateful to know that the Body of Christ can worship anytime, anywhere. And a building is just that - a building. The Church is the people, not the place where we worship. In these troubled times, our witness for Jesus Christ can be evident to those around us as we take wise precautions, while simultaneously living out our faith with what it means to have a peace that passes all understanding. May you be blessed this week as we see God at work through these unprecedented times. We can get through this together. Our God is able.

A Time of Thankfulness...

We are greatly humbled by the generosity of our congregation. So far, this year's offering, combined with pledges, is a total of \$33,617.00. We thank you for your faithfulness, especially during such challenging times,

and look forward to seeing how God will use our building in the year ahead as we continue to "Know Him and Make Him Known." If you would still like to make a contribution to this offering, please mail your gift to the church or donate online. If you make an online donation, please also let Kim know your gift is for Oktoberfest as there isn't a way to designate this on the website.

ElderCandidate

The 2020 ballot includes a request to approve a new Elder, Brian Bocock, to serve on our Elder Ministry Team. Here is some information to get to know him a little better:

Brian Bocock

Brian has been a member of First Baptist Church his entire life, and is the son of Joyce and Edward Bocock. Brian has been an active member of the choir, church musicals, a soloist, and a nursery volunteer.

Brian is currently employed as Vice President of Product Management and Owner Relations for Naturipe Farms, where he performs supply strategies and analytics for all types of berries and acts as mediator for the corporate owners of the companies. He is also part owner of New Day Blueberry Farms and Bumbleberry Acre, with his family. Brian and his wife Beth have 5 children, ages 20-14. In his spare time Brian enjoys spending time with his family, driving around the family farms dreaming of future plans, and fishing. Brian is excited for the opportunity to bring his strengths of planning, budgeting, and analytics to the Elder Ministry team.
