

Welcome

"Come, Follow Me"

While our place of worship has changed from the usual place and time, we are grateful to know that the Body of Christ can worship anytime, anywhere. And a building is just that - a building. The Church is the people, not the place where we worship. In these troubled times, our witness for Jesus Christ can be evident to those around us as we take wise precautions, while simultaneously living out our faith with what it means to have a peace that passes all understanding. May you be blessed this week as we see God at work through these unprecedented times. We can get through this together. Our God is able.

Sermon notes are also available. You can view them through the Bible app as usual on your phone or tablet or via the internet. See our Facebook page or check your email for this week's link.
