

# Weekly Notes

**Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:**

## **infants and young children**

Our safe and sanitary nurseries are here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

## **children**

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Gym. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

## **finding your way around**

If you need help locating any activities or rooms, please be sure to ask an usher!

## **introduce yourself**

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

**Blood Drive: Thursday, 11/18 | 1:00-6:00pm | FBC Gym..**Due to ongoing impacts of COVID-19 in our communities, we are facing an immediate need for blood donations with less than a 1 day supply of most all blood types for our Michigan hospitals. APPOINTMENTS PREFERRED. Call 866-642-5663 or visit <https://bit.ly/FIRSTBAPTISTSH>

**Cook Needed for Local Ministry..**Open Door is a local ministry that has been in operation for over 20 years. A free meal is provided to anyone once a week on Tuesday afternoon. Many churches in the South Haven area participate with the First United Methodist church who hosts this ministry in their kitchen and dining hall. Each week, a different church has volunteers come to cook and/or serve the food. Since COVID-19, meals have been boxed in takeout containers, where recipients can drive up and take the desired number of containers for their household. One of the cooks is retiring and there is a need to fill this spot. I was asked if someone from FBC would like to take on this ministry of cooking. There is a retired professional chef that would be willing to train this person or team of persons who would be cooking for about 100 people once a month. A different team comes in to "box" the meal and take it to the cars in the parking lot at 6pm. If you'd like to learn more about this ministry opportunity, please catch me at church on a Sunday or contact me at 269-767-2883. One afternoon a month to help in a local ministry that helps someone stretch their food budget is one of the most worthwhile ministries I have participated in since it started, along with We Care INC. Give it some prayer time and listen for God's answer. --Rocky Starland

**We Care: Christmas Hope Program..**We Care is accepting items for their Christmas Hope program which allows eligible parents to come and "shop" for their children from a supply of donated toys, stuffed animals, hats and mittens, stocking stuffers, crafts, family games, books and personal care items. All recipients are cleared through We Care to insure need and eligibility. If you would like to make a contribution, items can be brought to FBC and placed in the box in the foyer or dropped off directly to First Assembly of God Church (06500 Blue Star Highway). For questions or more information, contact 269-214-6208.

## Thank You

We are greatly humbled by the generosity of our congregation. So far, this year's offering, combined with pledges, is a total of \$41,479. We thank you for your faithfulness, especially during such challenging times, and look forward to seeing how God will use our building in the year ahead as we continue to "Know Him and Make Him Known." If you would still like to make a contribution to this fund, please drop your gift in the regular offering with the notation of "Oktoberfest."

# AFTERMATH

## BEGINS TODAY AFTER WORSHIP | UPSTAIRS

**AFTERMATH** (definition): The outcome of an event especially as relative to an individual. During our Worship Service, we spend time together examining various passages of Scripture. Near the end of this time, general application is made as to how the Scripture can be applied to our lives. At best, the application is pretty general and may be applied to one individual differently than another.

**AFTERMATH** seeks to help individuals personalize the application, for we are all uniquely different. In addition, it provides an environment in which people can help others personalize the application through suggestion and experience. It can be an effective way to live out our faith together.

**BEGINS TODAY** Join us upstairs for a soup lunch. We will continue to meet weekly immediately after our Worship Service. Lunch and discussion will be limited to one hour.

**Saturday, December 11**  
**6:00pm**  
**Upstairs at FBC**

Mark your calendars and plan to join us for a mini-trivia night that will be a primer for our normal event in March 2022. We will have a "Best of Trivia" and use two categories each from our 2015-2019 events. 8-10 people per table. Table hosts will coordinate or bring snacks and drinks for their group. Childcare provided. Cost will be \$10 per table payable in cash on the night of the event. Winners will receive the entire registration amount collected as a prize. For questions or more information, contact Kim Collins.
