

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

prayerREQUESTS&PRAISES

- **Rhonda Dobberstein** is recovering from a lumpectomy and waiting for test results.
- **Ginny Dorsey** (Rhonda Dobberstein's mom) is still in the hospital on the rehab floor as she is not ready to be home yet. Her husband Jim also took a fall last week and is barely walking by himself, so not having her return home yet is a blessing while they both continue to recover.
- **Vincent Bryant** (son of Miriam Bryant) is dealing with several health issues. He has been dealing with blood clots which have been interfering with his dialysis treatments. He continues to recover from a second surgery on his left hand after an infection which resulted in one finger being amputated. He is also having issues with an ankle that prevents him from driving. As a result, Miriam is transporting him to dialysis three days a week.
- **Miriam Bryant** has begun therapy for hip issues.
- **Pete Danapilis** has a second cataract surgery rescheduled for February 27.
- **Nolan Marshall** was approved to receive services for another year. Praise God for answered prayers!
- **Anna Bocock's** Lyme tests came back that she has Epstein Barr in addition to one strain of Lyme. They are not able to treat the Lyme until the Epstein Barr is under control. She is currently very sick and is not responding to the treatments for the Epstein Barr. Pray that the treatments start working and she is able to get that under control so that she can move forward with the Lyme treatment within the next few months.
- **Caroline Bocock** is doing much better! She passed her concussion test after a year of failing and has been approved to do anything she wishes. She will have more Lyme testing later this month, but the symptoms have almost completely disappeared since her treatment in July. Pray for continued improvements and for clear test results so she doesn't have to do anymore treatments.
- **Joyce Bocock** continues to do well. Prayers for continued improvement and relief from pain are appreciated.
- Check out our monthly prayer card on-line at southhavenfbc.com under "General Info" for a **list of those with on-going needs**.
