

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

A "NIGHT-IN" DINNER FUNDRAISER

HOSTED IN YOUR OWN HOME

Please help Dan & Tracy Marshall and their family by hosting a simple dinner for 6-10 (or more) of your friends & family.

You provide dinner and beverages, and invite your guests to make a donation equivalent to what they would've paid to eat out for the evening. All proceeds go to help the Marshalls with medical and other expenses as they continue this journey with their 9-year-old son, Nolan. Dan & Tracy have incurred \$15,000 in out-of-pocket expenses this year alone due to the new year deductible plus mental health care that insurance doesn't cover. Please help us help them!

- ♥ We're glad this option is flexible enough that friends, family or anyone who is moved to help - whether near or far - can participate!
- ♥ If you're willing to host, please plan to hold your dinner on or before Saturday, April 15. Donations can be made individually online or via checks payable to First Baptist Church.
- ♥ To sign up to host and receive more information, please scan the QR Code above, **[sign-up online](#)** or contact the church at

Nolan Marshall is 9 years old and lives with his family in St. Joseph, Michigan. On good days, Nolan is like any other "normal" energetic 9-year-old - playing video games with dad, wrestling with his brother, helping his mom in the kitchen or just burning off energy running around doing typical boy things. But other days are a completely different story. Nolan has professionally diagnosed disorders that have taken over his health and mental wellness. His parents, Dan and Tracy, are constantly seeking long-term solutions to bring him out of this point of crisis and establish balance back into his body, mind, and emotions. As a family, they need our help and support to manage the mounting expenses that are occurring because of his diagnosis and the treatment needed. These costs are due to emergency hospital visits and overnight stays, testing and medication, therapy, extra spending on food and gas, potential unpaid time off work from both Dan and Tracy's full-time jobs, and more are all adding up very quickly. Helping with these expenses will keep doors open and opportunities available for Nolan to receive the best chance for treatment, leading to wholeness, wellness, and a bright future.

Please consider helping them while you enjoy an evening with family and friends!

- **Nolan Marshall** (son of Dan & Tracy) is receiving outpatient therapy but hasn't found an even keel yet. He has been allowed to return to the school environment with many boundaries in place. - **Marge Benham** has returned home and is doing well. She is working with physical therapy on weight bearing activities.
- **Joyce Bockock** has completed chemo and radiation; praise God that both tumors have shrunk significantly more than expected; evaluating additional treatment options.
