

## Weekly Notes

**Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:**

### **infants and young children**

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

### **children**

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

### **finding your way around**

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

### **introduce yourself**

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

**Flower Bed Maintenance Needed...**Spring is finally here and we need help maintaining the church's flowerbeds. If you're willing to adopt-a-flower bed for the summer, please contact the church office or feel free to stop by the church at your convenience and pull weeds from whatever flowerbed catches your eye. If you contact us in advance, we can arrange for the shed to be open so you can get tools; otherwise feel free to bring your own.

**Attention Graduates...**As we prepare to recognize our college and high school graduates this year, we want to be sure that we don't miss anybody. If you will be graduating, please contact the church office TODAY! Also, if you let us know when your graduation open house is, we would be more than happy to publish it in upcoming bulletins. We are planning to recognize our graduates during the morning worship service next Sunday, June 2. For questions or more info, contact Kim in the office.

**May = We Care Pantry Collection...**May is designated as our church's month to collect items for the local food pantry. Suggested items include canned soups, vegetables, fruit, beef stew, and tuna; pasta; spaghetti sauce; and other non-perishable items. Items can be left in the foyer.

**Hearing Assistance Devices Available...**We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. They are available from the Sound Booth at the rear of the sanctuary and are cleaned and sanitized after each use. For questions, see Rocky Starland.

**CAFÉ HOURS**  
9:00-10:15am on Sundays

**Caroline Bocock** is graduating from South Haven High School. She plans to attend Michigan Tech University to major in Chemical Engineering with a focus on nanotechnology. She will complete her student teaching in the fall and then pursue a master's degree in education at LU in January. She is the daughter of Bob & Kim Collins and granddaughter of Judi Beckwith.

# prayerREQUESTS&PRAISES

- **Lennon McKamey** (son of Kyle & Sarah) needs surgery on his shoulder due to two tears on his left labrum. His shoulder keeps dislocating, which is causing a lot of pain and ER trips. They are hoping he can get in for surgery soon, but he may also need to get cleared through the neurological doctors because of the undiagnosed seizure activity. He hasn't had any more blackouts, has completed testing and has a follow up appointment in June for the seizures.
- **Jean Pietrzak** (Sandi Starland's sister) is recovering from a fall in which she injured her neck. She's in trauma care with orthopedic and neurology care.
- **Bruce & Vasha Ferguson and their family** upon the loss of their granddaughter, Felicia, on 5/2.
- **Bruce Ferguson** had his medications adjusted and is continuing with his doctors for further treatment.
- **Rhonda Dobberstein** has completed radiation treatments for breast cancer. The margins are clear and the cancer was removed. She has follow up appointments in July and September.
- **Nolan Marshall** was approved to receive services for another year. Praise God for answered prayers!
- **Miriam Bryant** has begun therapy for hip issues.
- **Vincent Bryant** (son of Miriam Bryant) is dealing with multiple health issues: blood clots which are interfering with his dialysis treatments; continues to recover from a 2nd surgery on his left hand which resulted in one finger being amputated; issues with an ankle that prevent him from driving.
- **Anna Bocock** has Epstein Barr in addition to one strain of Lyme. She is waiting for next month's treatment to be done, will then take another blood test to see how the treatment performed, and once the tests come back she will hopefully be able to move forward with the Lyme disease treatments.
- **Caroline Bocock** is having some symptoms resurface so she will need to have more treatments. They are waiting for her most recent test results to come back, so they can determine which strain of Lyme's needs to be treated next.
- **Joyce Bocock** continues to do well. Prayers for continued improvement and relief from pain are appreciated.
- Check out our monthly prayer card on-line at [southavenfbccom.com](http://southhavenfbccom.com) under "General Info" for a list of those with on-going needs.
